## Live Animal Production Supervisor Employment Opportunity

We are seeking a Production Supervisor to oversee live animal production. Thomas Livestock Company is a 22,000 sow, farrow-to-finish swine operation located in Central Nebraska.

---

### Employment Description

#### Organization Of Employees

- Consistently communicate all necessary aspects of swine production and operations with employees so that short/long term goals and objectives are clearly understood and carried out by all animal caretakers.

#### Team Building/Mentoring of Employees

- Provide a positive work environment including goal setting, employee accountability, and continuous improvement in a live animal production setting.
  - Individual development of each manager based on the needs of their designated sites.
  - Communicate and instill company mission and core values throughout the organization through leading by example.
- 

### Qualifications

#### Experience:

- Minimum of 3-5 years swine management experience.
- Strong understanding of swine facility operations including farrowing and grow finish.

#### Skills:

- Ability to create teams that are producing world class results daily.
- Ability to communicate effectively and professionally, both verbally and written.
- Exceptional organizational skills with the ability to prioritize.
- Attention to detail.
